

## **TAUNTON ROWING CLUB**

### **Winter Safety Procedures (river)**

**Applicable between half term in the winter term and half term in the spring term.**

**If there is no coach present:**

**Experienced Seniors.**

**No solo outings for anyone. There must be two boats on the water within sight of each other or one boat on the water and an adult on the bank on a bike with throw rope, in sight of a solo rower.**

**Experienced racing juniors may row but MUST have a responsible adult on the bank with throw rope, in sight of the rower(s).**

**No L2R graduates or L2R course members may take out a boat if there is no qualified Level 2 Coach present.**

### **Summer Safety Procedures (river)**

**Applicable between half term in the spring term and half term in the winter term.**

**If there is no coach present:**

**Experienced Seniors.**

**Over 21 years may go out for solo outings. For younger seniors there must be two boats on the water or, for a solo rower, an adult on the bank with throw rope.**

**Experienced racing juniors must have a responsible adult on the bank with throw rope or, they may also go out if there are experienced seniors on the water who have agreed to supervise the juniors.**

**L2R graduates or L2R course members may only go out if there is a qualified Level 2 Coach present or a Senior Officer of the Club on the bank.**

**Safety Officer, March 2015**
